Title of work \_\_\_\_\_

Author(s) \_\_\_\_\_

I hereby grant permission for **The Seventh International Conference on Theory and Applications of Satisfiability Testing 2004/Pacific Institute for the Mathematical Sciences** (SAT-04/PIMS) to include the above-named material (the Material) in any and all forms, in **The Proceedings of The Seventh International Conference on Theory and Applications of Satisfiability Testing 2004** (SAT-04). I further allow SAT-04/PIMS to distribute or sell this Material as part of the above-named publication in print and on the world wide web. I also grant SAT-04/PIMS the right to publish this submission as part of the SAT-04 website, on CD-ROM and in translation, or on videocassette, broadcast, cablecast, laserdisc, multimedia or any other media format now or hereafter known. (Not all forms of media will be utilized.)

I hereby verify that I am the sole owner of copyright in this Material and have the authority to grant such permission. In the event that any elements used in the Material contain the work of third-party individuals, I understand that it is my responsibility to secure any necessary permissions and/or licenses and will provide it in writing to SAT-04/PIMS. If the copyright holder requires a citation to a copyrighted work, I have obtained the correct wording and have included it in the designated space in the text.

I hereby release and discharge SAT-04/PIMS and other publication and conference sponsors and organizers from any and all liability arising out of my inclusion in the publication, or in connection with the performance of any of the activities described in this document as permitted herein. This includes, but is not limited to, my right of privacy or publicity, copyright, patent right, trade secret rights, moral rights or trademark rights.

All permissions and releases granted by me herein shall be effective in perpetuity and throughout the universe, and extend and apply to SAT-04/PIMS and its assigns, contractors, sublicensed distributors, successors and agents.
